WAKE UP AND SMELL THE '90s!

A large, detailed illustration of Wolverine from the X-Men series. He is shown from the chest up, wearing his iconic blue and yellow costume. His face is contorted in a fierce, screaming expression, with his mouth wide open showing sharp teeth. His blue-gloved hands are extended forward, with his silver adamantium claws fully deployed. The background is a dark, swirling mix of red and black, suggesting a chaotic or hellish environment.

BULLPEN BULLETINS

PROFILE: Mark Bagley

When Mark Bagley entered the MARVEL TRY-OUT CONTEST several years back, he had no idea it would lead to a full-time career in comics — but it did! (Mark says he's sick of telling that story today!) Now he's the regular penciler on AMAZING SPIDER-MAN! Mark paused for a few minutes recently to tell us what makes his webs spin.

Where and when were you born?

I was born in Frankfurt, Germany, on August 7, 1957 — me and my twin brother Mike. But he can't draw!

Who are some of your creative influences?

John Buscema, Gil Kane, Kirby ... Alex Toth ... Mike Mignola — although he's a contemporary, he's still an influence ... Joe Kubert ...

Who do you think should play Spider-Man in the upcoming movie?

Charlie Sheen. He'd make a good Peter Parker.

Where did you receive your training?

I went to the Ringling School of Art in Sarasota, Florida. I took a three-year program in painting, fine art, and sculpting.

What comics have you worked on in the past?

NEW WARRIORS, CAPTAIN AMERICA back-ups, an issue of DAREDEVIL, an issue of VISIONARIES, STRIKEFORCE MORITURI, some New Universe stuff. My first published thing was an issue of NIGHT-MASK. They were desperate for people at that time!

Which Marvel Comic would you like to work on that you haven't?

I could do the obvious thing and say one of the X-books, but instead I'll say FANTASTIC FOUR.

What's your biggest pet peeve?

People who say, "Ya know" all the time! That drives me crazy, ya know?

What advice would you have for aspiring comics creators?

Learn how to draw everything — from cars to women to buildings. Treat (comic art) like the craft it is.

What are your hobbies?

Playing pool, movies, hiking, bike-riding, reading.

Is it true you used to be a spy?

From '75 to '78 I was a Cryptographic Traffic Analyst for the army. I spent a year in Korea. I had top secret security clearance. If I told you any more, I'd have to kill you!

Which comic book character do you most resemble?

A short Mall Murdock!

If you could have only one food to eat for the rest of your life, what would it be?

Bavarian pretzels.

What's the one thing about you nobody knows?

Nobody knows that I'm afraid of my wife! But it's a good kind of fear!

Who is your favorite Beatle or Monkee?

My favorite Beatle is Pete Best!

If you were in the circus, what job would you want?

I'd like to shave the bearded lady!

How long do you intend to stay on AMAZING SPIDER-MAN?

At least until issue #400. After that, we'll see!

THE BULL'S EYE by RICK PARKER
